2019 ANNUAL STAKEHOLDER EVENT

EVENT PROGRAM

FEATURING KEYNOTE SPEAKER
RICK MERCER

Few people know Canada like Rick Mercer knows Canada. Whether prodding at our institutions, celebrating our unsung heroes, or illuminating everything wonderful and weird about our country, Mercer is a galvanizing speaker. He's our fiercest critic, our sharpest mind, and our most hilarious comic. This is a one-time talk that gathers together all his—and our—strengths. It is a talk that connects to the past, evaluates our present, and looks forward, hopefully, into the future.

Rick Mercer chronicles, satirizes, and ultimately celebrates all that is great and irreverent about this country. Known as "Canada's Unofficial Opposition," Mercer is our most popular comic, a political satirist who knows exactly what matters to regular Canadians and what makes them laugh.

Born in St. John's, Newfoundland, Mercer has won over 25 Gemini Awards for his top-rated CBC series' The Rick Mercer Report, Made in Canada, and This Hour has 22 Minutes. Mercer also starred in Rick Mercer's Talking to Americans, which was watched by millions, attracted attention across North America, and remains the highest-rated comedy special in Canadian history. In 2014, he was made an Officer of the Order of Canada.
